TRANSPORTATION AGREEMENT 2023-499, ADDENDUM V

Rates and terms of service

ACCOUNT: **Pasha International**

- NOTE 1. The parties agree that the referenced rates listed herein shall be cancel and replace the existing, corresponding rates in Contract Number 2023-499, Attachment A. Further, the parties agree that, except as otherwise provided herein, this addendum shall be governed by the rules and conditions of Contract Number 2023-499, Attachment A and Carrier's tariff STB AKMR 250, series.
- NOTE 2. FUEL SURCHARGE. Rates are subject to Fuel Surcharges (FSC) in effect in Carrier's Surface Transportation Board tariff on the date of shipment. The ocean fuel surcharge shall be calculated as a per cubic foot rate, which will be adjusted when Carrier adjusts its corresponding tariff fuel surcharge. The conversion of the rate from a percentage to a cubic foot rate is done at the request of and as a convenience for Shipper; Carrier reserves the right to review the conversion formula to ensure equitable application for Carrier and Shipper.

Effective May 5, 2024, Aloha Marine Lines (AML) Household Goods Fuel Allowance Factor (FAF) is:

Barbers Point Westbound:	\$1.24 / cuft
Neighbor Island Westbound:	\$2.57 / cuft
Barbers Point Eastbound:	\$0.62 / cuft
Neighbor Island Eastbound:	\$1.72 / cuft
